

Variety Show Music

Music/lyrics need to be held to a “G” rating. All acts using music need to have a CD burned to the timing of the show needs and turned in to Mrs. Williams by

Friday, January 22nd, 2010.

If you are unable to burn the cd as necessary, we will need a copy of the CD with the exact timing of when the music should be started and to what point in the song the music should be stopped marked clearly on a this sheet of paper. We **need** to have this so Mrs. Williams can burn the master show disc for practice days as well as the rehearsal and show.

In a gallon size ziploc bag please include the following:

- G The bottom of this notice completed
- G CD of music to be used
- G Lyrics to music
