

Providing at-risk students in our Lake Orion community with a backpack containing six nutritious meals to feed them over the weekend.

Approximately 1,500 LOCS students qualify for the free / reduced lunch program and therefore may be at risk of weekend food insecurity. Blessings in a Backpack – Lake Orion tries to ensure that no Lake Orion student goes hungry over the weekend!

We currently provide weekend food for all six LOCS elementary schools and all three middle schools – currently approx. 320 bags of food go home to Lake Orion students every weekend in the school year calendar!

As we consider our own blessings this Holiday season, we remember that there are those less fortunate than ourselves. Please consider giving a donation of money and/or your time to sustain this wonderful program for this school year and many more school years to come!

How Can You Help?

Volunteer! As the program grows, our need for volunteers will increase! There is a lot of food to take off the Meijer truck every month, lots of backpacks to be packed, not to mention continued fund raising to sustain and increase the program.

If you are interested in volunteering to help out with this wonderful, local program, please complete the online form on our web site:
